

Green Pin Self Locking Hook CL

Grade 8 clevis self locking hook

Highlights

- ✓ Reliable Green Pin quality and support [®]
- ✓ Superior stock availability of 99%

Description

The Green Pin Self-Locking Hook CL is a grade 8 clevis self-locking hook. The self-locking hook locks automatically as soon as it is brought under tension. To release the load the user must manually unlock the hook, which prevents unintended release. This hook brings a full safety for lifting as the latch cannot be removed. The GK hook is a compact, lightweight hook. In comparison to an XL hook, it has the same working load limit, with a smaller size. The clevis design enables a direct connection to grade 8 chain. The Green Pin Self-Locking Hook CL is available in a range to suit 7/8 mm up to 22 mm grade 8 chain.

Product details

Productcode	GKC
Material	alloy steel, Grade 8, quenched and tempered
Safety factor	MBL equals 4 x WLL
Finish	painted white
Certification	2.1 2.2 MPIb
