[Representative image of product]

Specifications

- Brand: TB Davies
- Warranty: 1-year
- Material: Rubber
- Commodity Code: 40029910
- Country of Origin: NL
- Recommended Usage: Regular

Availability & Delivery

- Stock item. Delivery next day.

Product Description

The Ladder Base is an essential safety accessory for anyone using ladders, designed to significantly enhance stability and prevent slips across a variety of surfaces. Crafted from a durable mix of rubbers and polymers and engineered using a single-piece mould, it offers unmatched grip and longevity, making it perfect for extension and multipurpose ladders. Rigorously tested under real-world conditions by TUV, including a standard 3-meter ladder test at a 75-degree angle on a sanded plywood surface, the Ladder Base has proven its reliability by maintaining position with less than 5 mm movement under applied forces. This level of performance ensures that users can confidently work at heights, knowing their ladder is secured by the Ladder Base, built to keep them safe and focused on the task, not the risk.

Features

- Superior Stability: Prevents ladder slips on a variety of surfaces.
- Built to Last: Single-mould design for maximum durability.
- Universal Fit: Suitable for various ladder types.
- Tested for Safety: Meets rigorous TUV skid resistance standards.
- Safety First: Ensures safer ladder use, allowing users to focus on the task, not the risk.
